Active Daily Moisturizer

This light formula is for the active person with normal to oily or combination skin who wants light hydration along with sun protection. Gel-crème base combines the purifying antiseptic benefits of lavender and antioxidant benefits of vitamins A & E with titanium dioxide for reflective sun protection. Also includes NAB asafetida extract to help fade pigmentation spots and even skin tone.

Directions

Apply generously to the face, neck and ears, covering all areas that would be exposed to the sun. Massage in thoroughly. If wearing foundation, can mix with Active Daily Hydrator for better finish.

Ingredients

Purified Water, Stearic Acid, Glycol Distearate, Stearyl Alcohol, NAB Asafetida extract, Carbomer, C12-15 Benzoate Esters, Caprylic-Triglyceride, Sodium Hyaluronate, Vitamins A & E, Titanium Dioxide, Diazolidynyl Urea, Iodopropynyl, Butylcarbamate, Essential Oil of Lavender.

Advanced Protection SPF 30

Filters out the sun's rays to prevent sunburn. This formula is designed for all skin types.

Directions

Apply to areas exposed to sun. Reapply frequently, especially after physical activity or swimming.

Blemish Fix

Penetrates pores to clear most acne blemishes. Helps keep skin clear of new pimples.

Directions

Cleanse the skin thoroughly before applying medication. Cover the entire affected area with a thin layer one to three times daily. If bothersome dryness or peeling occurs, reduce application to once a day or every other day. Apply directly to blemished areas daily or as needed. **Warning:** Using other acne medication at the same time or immediately following the use of this product may increase dryness or irritation of the skin. If this occurs, only one medication should be used unless directed by a doctor.

Ingredients

Active Ingredients: Salicylic Acid 2.0%. Inactive Ingredients: Camphor, Hamamelis Virginiana (Witch Hazel) Extract, SD Alcohol 40, Water (Aqua).

Blemish Repair

Stress, environmental factors and hormones can cause even the most well-behaved skin to experience anything from a mild breakout to those hard sore bumps. This effective anti-bacterial spot treatment contains healing vitamin C, centella and green tea extracts to help prevent scarring and immediately work to reduce redness and inflammation, making blemishes less noticeable. Glycolic and Salicylic acids help unclog pores and keep them clean. May also be used as a preventative treatment on particularly prone breakout areas.

Directions

Apply directly to blemishes morning and evening or as needed.

Ingredients

Water, Alcohol, Glycerine, Hydroxyethylcellulose, Glycolic Acid, Salicylic Acid, Sodium Ascorbyl Phosphate (Vitamin C), PEG-40 Castor Oil, Green Tea Extract, Centella Extract, Phytohyaluronate, Liquid Germall Plus, Bronopol.

Bon Bons – Lavender/Lemongrass

What smells delicious, comes individually foil-wrapped in a chocolate box, and isn't fattening? Our bath bon bons! These hand-molded treats will soften bath water, helping to remineralize the skin and make it more receptive to moisturizers. An added plus: they help maintain water temperature for a longer, warmer bath! Fill your tub, slide in and drop in a bon bon or two. Take a deep breath, relax and enjoy.

Directions

Drop 1-2 Bon Bons into the water after you get into the tub. Relax and enjoy!

Ingredients

Sodium Bicarbonate, Citric Acid, Hamamelis Virginiana (Witch Hazel) Extract, Fragrance and Essential Oils.

Bora-Bora Beach Body Scrub

An exquisite combination of moisturizing tropical oils in a gel-based scrub combined from white sand exclusively from Bora Bora. Collagen Blanket (Extra Hydration & Smoothing)

For use as an exquisite, professional treatment that provides the pampering and special attention to the skin that clients love to receive. This is a natural, collagen-rich fiber cloth mask that binds moisture to the skin and stops dehydration. Place the blanket over the face, saturate with water or toner, and mold to facial contours. Leave for 20 minutes. Plumps fine lines and wrinkles. Highly recommended for deep hydration of moisture-starved skin. Can be used as a separate salon mask or added to the facelift massage. This treatment can also incorporate face gauze and hot paraffin as a hard masque that will make the treatment even more effective.

Directions

After cleansing and exfoliating, follow these directions.

- 1- Pour _ cup of distilled water into bowl, add Toner if desired.
- 2- Apply Anti-Aging Serum to face and neck massage until absorbed.
- 3- Position Collagen Blanket over face, trim if necessary.
- 4- Beginning at forehead, blot blanket thoroughly with cotton gauze saturated with the distilled water/toner mixture. The Collagen Blanket will adhere to the skin and become transparent.
- 5- Cut a nose hole in a piece of foil and cover face (or use steam or a heat masque) Leave on for 20-25 minutes.
- 6- Remove foil tent and roll entire Collagen Blanket up and off the face. Apply moisturizer, Liquid Gold, and sun protection.

Jojoba Exfoliating Cleanser

An excellent deep pore cleanser for all skin types for the effective removal of makeup and residual impurities. Jojoba beads, which come from the oil that was traditionally highly prized by Native Americans from the Sonoma Desert, are the natural scrub agents in this gentle yet efficacious cleanser. Salicylic Acid exfoliates the surface layer of the skin, improving the look and tone and making it extremely effective in the treatment of aging skin. Also effective for acne-prone skin due to its antibacterial properties. The combination of Lactic Acid, a component of the skin's natural moisturizing factor (NMF) also acts as an exfoliant, and Glycolic Acid, which helps reduce thickening of the skin by sloughing off excess cell buildup, unite to refine and retexturize the skin. This helps clear clogged pores, and aids in diminishing signs of keratosis and fine lines in older or photo-damaged skin. Grapefruit Oil balances the effect of AHA's by its anti-irritant properties.

Sunless Tan for Face and Body

This special formulation for the face and gradually provides a deep, dark, natural-looking tan without sun exposure.

Directions for Face

After thorough exfoliation, apply a small amount evenly to entire face beginning at the forehead and work thoroughly into the skin.

Directions for Legs and Body

Apply product in an organized fashion, one area at a time. Apply thoroughly to avoid streaking. Do knees and elbows last since the skin in these areas is rougher and may look darker. When working around the ankles and the top of the foot, apply evenly and feather in so that a natural look is achieved. Always rinse hands thoroughly after application. Apply every 3 to 5 days to maintain a rich even tan.

Vitamin C Facial Firming Masque Powder and Masque (Prof Use Only)

This versatile mask, created exclusively for skincare professionals, will instantly improve firmness and tone of face and neck, refine texture and promote a beautiful glowing, even complexion. Our revitalizing formula contains 10% pure vitamin C, giving a powerful antioxidant boost while softening skin and soothing irritation from extractions or peels.

Directions

May be used after alpha or beta hydroxy peels, after extractions or as a part of any professional treatment. Whip 1/2 teaspoon of masking solution into 1 teaspoon of masking powder, adjusting as needed to get a light, thin paste. Apply in a thin layer with fan brush to face and neck, using upward strokes; let client know that as masque dries it will become very tight and their skin may feel warm. Leave on 10-12 minutes; mask will feel rough and dry when it is completely set. Remove with cleanser of your choice and warm moist sponges, and follow with toner and protective crème as appropriate for skin type. For an excellent finish to a firming facial, apply Alpha Lipoic Acid Lifting Serum with DMAE Glycolic/Vitamin C before crème.
